

Aparima College BOT News

The newly elected Board of Trustees of Aparima College held its first meeting on Tuesday 5 June. The Board elected Leon Black as Chairperson and we will run monthly Governance meetings beginning 25 June at 6:00 pm in the Aparima College staffroom.

The tremendous level of community support for Aparima was noted by the Board as shown by the keen interest and quality of nominations in the recent trustee election. The Board wishes to thank all involved in the successful return to self-governance of Aparima College and look forward to delivering an innovative learning community committed to success and excellence.

The Board would also like to take the opportunity to acknowledge the considerable support for our new Principal, Cameron Davis, as well as the ongoing help and direction offered to the Board from the New Zealand School Trustee Association.

Many thanks
Leon Black
