

Health and Safety Policy

The Board is committed to providing and maintaining a safe and healthy workplace and to providing the information, training and supervision needed to achieve this to ensure the health and safety of all students, staff and other people in the workplace. The Board is responsible for ensuring health and safety procedures are developed and implemented, however, employees need to be aware of their responsibilities and comply with the Board's health and safety policy and school procedures.

The Board will, as far as is reasonably practicable;¹ comply with the provisions of legislation dealing with health and safety in the workplace, by:

- providing a safe physical and emotional learning environment
- ensuring a health and safety strategy/plan is in place and engagement and consultation with workers and the school community on the strategy occurs
- ensure there are procedures in place regarding the sale, supply and consumption of alcohol and that these are aligned with the protection of students, staff and visitors to the school procedures, and comply with the Sale and Supply of Alcohol Act 2012 (<http://www.legislation.govt.nz/act/public/2012/0120/latest/DLM3339333.html>)
- providing adequate facilities, including ensuring access and ensuring property and equipment is safe to use and students and workers are not exposed to hazards
- ensuring there is an effective method in place for identifying, assessing and controlling hazards. This includes recording and investigating injuries, and reporting serious harm incidents
- having a commitment to a culture of continuous improvement

The Principal, as Officer has responsibility for implementing this policy and therefore must:

- exercise due diligence in accordance with the provisions of the health and safety legislation, and in particular the six due diligence obligations²
- take all reasonable steps to protect students, staff and visitors to the school from unsafe or unhealthy conditions or practices
- ensure that the staff code of conduct is implemented effectively
- ensure there is zero tolerance to unacceptable behaviour, such as bullying, and that there are effective processes in place
- provide a smoke free environment
- ensure a risk analysis management system (RAMS) is in place and carried out **(See EOTC Procedure)**
- seek approval for overnight stays/camps/visits attesting first to their compliance with above
- consult with the community every two years regarding the health programme being delivered to students
- provide information and training opportunities to employees
- advise the Board chair of any emergency situations as soon as possible
- ensure all employees and other workers at the school will take reasonable care to:
 - cooperate with school health and safety procedures
 - comply with the health and safety legislation, duties of workers
 - ensure their own safety at work
 - promote and contribute to a safety conscious culture at the school.

Review schedule: Reviewed 30 July 2018

To be Reviewed: July 2021

¹ **Reasonably practicable** means what is or was reasonably able to be done at a particular time to ensure health and safety, taking into account and weighing up all relevant matters.

² know about work health and safety matters and keep up-to-date, gain an understanding of the operations of the organisation and the hazards and risks generally associated with those operations, ensure the PCBU has appropriate resources and processes to eliminate or minimise those risks, ensure the PCBU has appropriate processes for receiving information about incidents, hazards and risks, and for responding to that information, ensure there are processes for complying with any duty, and that these are implemented, verify that these resources and processes are in place and being used.
